

The Peppers

This is one of several photos donated to the village collection. It shows Connie Maxey neé Pepper, of the Hollows, with son George Eric (born 1924).

Connie's parents were George (1863 – 1940) and Emma Pepper (village midwife)

George and Emma moved to Rauceby from Swineshead, where George was wheelwright and estate carpenter to Sir Mildmay Wilson.

They had one son and four daughters and later moved to Main Street, South Rauceby. When they left the village, George gave Royce Dowse (9 at the time) his toolbox, pictured below.

George is buried in the churchyard.
